**Enterococcus faecalis, Strain SF28073**

**Catalog No. NR-31972**

For research use only. Not for use in humans.

**Contributor:**
Michael S. Gilmore, Sir William Osler Professor of Ophthalmology, Department of Ophthalmology, Massachusetts Eye and Ear Infirmary, Boston, Massachusetts, USA

**Manufacturer:**
BEI Resources

**Product Description:**
- **Bacteria Classification:** Enterococcaceae, Enterococcus
- **Species:** Enterococcus faecalis
- **Strain:** SF28073 (also referred to as EnGen0243)
- **Original Source:** Enterococcus faecalis (E. faecalis), strain SF28073 was isolated in 2003 from a human urine sample obtained in Michigan, USA.
- **Comments:** E. faecalis, strain SF28073 is reported to be resistant to erythromycin, gentamicin and vancomycin. The complete genome of E. faecalis, strain SF28073 has been sequenced (GenBank: AJBC00000000).

**Material Provided:**
Each vial contains approximately 0.5 mL of bacterial culture in Brain Heart Infusion broth supplemented with 10% glycerol.

**Note:** If homogeneity is required for your intended use, please purify prior to initiating work.

**Packaging/Storage:**
NR-31972 was packaged aseptically, in screw-capped plastic cryovials. The product is provided frozen and should be stored at -60°C or colder immediately upon arrival. For long-term storage, the vapor phase of a liquid nitrogen freezer is recommended. Freeze-thaw cycles should be avoided.

**Use Restrictions:**
This material is distributed for internal research, non-commercial purposes only. This material, its product or its derivatives may not be distributed to third parties. Except as performed under a U.S. Government contract, individuals contemplating commercial use of the material, its products or its derivatives must contact the contributor to determine if a license is required. U.S. Government contractors may need a license before first commercial sale. This material may be subject to third party patent rights.

**Biosafety Level:** 2

**Disclaimers:**
You are authorized to use this product for research use only. It is not intended for human use.

Use of this product is subject to the terms and conditions of the BEI Resources Material Transfer Agreement (MTA). The MTA is available on our Web site at www.beiresources.org.

While BEI Resources uses reasonable efforts to include accurate and up-to-date information on this product sheet, neither ATCC® nor the U.S. Government makes any warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. Neither ATCC® nor the U.S. Government warrants that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, use and disposal. ATCC® and the U.S. Government are not liable for any damages or injuries arising from the misidentification or misrepresentation of products.
